

DRUM LESSONS for Children & Adults at Capital Music Center

since 1988

Drum Lessons at Capital Music Center features degreed teachers and maximizes both learning and enjoyment. We offer **group** and **private** lessons Monday thru Saturdays. We teach all the basics of learning to play the drums. Students will develop fluent music reading skills and play many styles of music.

✓ Our drum lessons are **more effective** than traditional lessons because we utilize technologies like the Roland V-Drums, the Roland Music Tutor, the Roland Drum Tutor, iPods, and computers to help students learn at a quicker pace.

✓ **Group lessons** are especially effective because: 1) learning with other people of similar ability is more fun, it's like playing in a band; 2) most students have to practice no matter the "excuse", to keep up with the group; 3) students gain confidence playing in front of people; 4) you get an hour lesson each week (that's double the lesson time compared to a typical private lesson)

✓ **Private lessons** allow you to focus on your specific wants and needs.

✓ We loan all students the **Roland Music Tutor** to have at home for the duration of their drum study with us. The Music Tutor is like having the teacher at home practicing with you every day! The Music Tutor plays MIDI Files and MP3's with the ability to SLOW them down to practice and play along with. With MIDI Files you can even mute any part of the band.

✓ We want our students to be **successful in drum study**. Students need to practice on a regular basis and have a drum set at home to practice on every day. We highly recommend the Roland V-Drums Digital Drum set. They take up less room, have many more sound choices, have a computer interface, iPod input, and best of all

they have a headphone jack for silent practice. Roland V-Drums are the number one selling Digital Drums because of their features, authentic sound quality, and authentic feeling pads or mesh drum heads. We can rent you a Roland V-Drum Set for as low as \$29 per month and 100% of the first 5 months apply toward the purchase.

✓ Our Drum Instructor is Kris Studebaker, who studied at the prestigious Drummer's Collective in New York under to guidance of Vince Cherico, Mark Flynn, Jason Gianni, Fred Klatz, Pat Petrillo, Peter Retzlaff, & Adriano Santos. The Drummer's Collective is an Accredited Institutional Member of the National Association of Schools of Music and has been a leading school for drumming for over 30 years.
